## We Care About Your Cancer Journey and We're Here to Help.

### CONTACT US FOR FREE!

Esophageal Cancer Awareness Association (EC Aware) recognizes that esophageal cancer is a complex condition with complex treatment options. Our mission is to support and promote awareness of esophageal health.

We have partnered with Patient Advocate Foundation (PAF) to offer the Esophageal Cancer CareLine to help support those affected by esophageal cancer and address financial challenges and access to care.

The Esophageal Cancer CareLine provides navigational assistance with financial and practical challenges that impact your ability to access healthcare. Whether you need help to understand coverage options, find resources for financial aid, resolve issues with your insurance company, or apply or appeal for disability, we are here to support you.

**All services are confidential and free of charge.**
